## Home Visit Customer Testimonials

Deborah in Milwaukee...The kids were just stunned speechless when they saw Santa and the reindeer coming up our street in the dark and snow. One anecdote to share with you - after Santa left and we all headed back inside the house for hot cocoa, one of my daughter's friends who is also 5 1/2 years old told me that was the first time she saw Santa. I asked her if she didn't see Santa at the mall before, and she said, "No, *this was the first time I saw the REAL Santa.*"

Linda in Watertown... I can't believe you still made it in a blizzard. I can never thank you enough for all the extra trouble you went to. Thank you from the bottom of my heart. It was so wonderful that *the children have been reaffirmed in Santa.* I don't know what your Santa told them but *now they BELIEVE!*

James in Sheboygan...I have hired Reindeer Games two years in a row and they didn't send Santa in a sleigh towed by reindeers, *they delivered magic!*

Kelly in Waterford...My thanks to you for the wonderful Reindeer Games experience! Our guests and family were *thrilled beyond words.* Is it too soon to book for next year? Thank you again!
